

Madison is thrilled to be a part of this beautiful production, playing a dream role in one of her favorite R&H musicals.

Madison recently finished playing Sarah Brown in GUYS & DOLLS back to back at the Hobby Center with Theatre Under The Stars in Houston, Texas and at The Carpenter Center with Musical Theatre West in Long Beach, California. Madison gained critical acclaim for starring as Luisa in THE FANTASTICKS Off-Broadway in New York City for over 400 performances! Other favorite roles include: Laurey in OKLAHOMA!, Cosette in LES MISÉRABLES, and Daisy Mae in LI'L ABNER. Thank you to the entire the cast & crew, Professional Artists, and her incredible family & friends. As always, "for grammy." IG: @maddyparks
