

CULVER CITY SYMPHONY ORCHESTRA

September 2016

Dear Friends of the Culver City Symphony Orchestra:

Our recently concluded season ended with the finale concert at the Kirk Douglas Theatre, and a very successful summer series as the Marina del Rey Symphony in Burton Chase Park. Throughout its history and aligned with its mission, the Culver City Symphony Orchestra has presented varied and compelling musical events for you and for the community, as well as opportunities for young, gifted performers. As a member of the Symphony Society, each of you has been a part of supporting the orchestra and enjoying special musical evenings.

The Orchestra's Competition for Young Artists continues to attract highly gifted young musicians from throughout Southern California. Winners of the competition have gone on to prominent careers as touring concert performers, as well as to key positions in the nation's major symphony orchestras, valued professors and music teachers.

The Symphony Society relies on its membership to ensure that the concerts continue to present the finest classical music throughout the Culver City, Los Angeles, Marina del Rey and Westside areas. At this time, we are striving to present our normal season's concerts for the upcoming year. With your financial help, we can accomplish this goal. Please join us and have your friends join as well. We need all of you.

In appreciation of our valued and future members, the following benefits are available:

- Members attend concerts for no charge or reduced ticket prices. **Your Membership Card entitles you to two free tickets for adults, and minors under the age of 17 years.** The end-of-year Finale Concert will be (as it has been in the past) a paid concert for all;
- Reserved concert seating for Members (only in Veterans Auditorium not Burton Chase Park);
- Reduced Program Book Advertisements (information: 310-645-8518);
- Attendance at Maestro Fetta's pre-concert talks;
- **At the \$150 level, add a free raffle book and attendance at a dress rehearsal;**
- **At the \$250 level and above, all previous perks, plus an invitation for a cocktail party with Maestro Fetta; and, inclusion in a drawing for a weekend at the famous Culver City Hotel.**

We invite you to renew your membership, and we ask that you encourage your friends to join the SoCal Symphony Society as well. Our popular end-of-the season raffle will be held at the last concert. We are continuing to meet these challenging times for orchestras through your membership. We look to you to support the orchestra by your continued and/or increased membership in the Society. If you want to learn of other ways you can support us through the donation of cars, bonds or stocks, please contact us at (310) 717-5570.

Please check our website on a regular basis in order to keep posted for programs and information at www.culvercitysymphony.org, and where you can see pictures of concerts and rehearsals. We also invite you to "Like" our Facebook page.

The most meaningful benefit of Symphony Society membership is the satisfaction you will derive from contributing to community enrichment by sponsoring this outstanding orchestra, providing a social setting for yourself, and helping to make a wonderful season possible. We invite you to renew and upgrade your level of membership today. We look forward to presenting another exciting season of fabulous music!

Very truly yours,
